2025 İZMİR

About previous IMATECH 2024

- Total Exhibitor: 150
- Foreign Exhibitor: 21
- Total Professional Visitor: 19.000 over
- Total International Professional Visitor: 2000 over
- Total Area: 20.000 sqm

Located in the heart of Izmir, fuarizmir will host one of the major events in the machinery world, **IMATECH - 3rd Industrial Production Technologies Expo**, from **February 20-23, 2025**. This fair, which brings together industry professionals eager to discover the latest innovations and trends in machinery and production technologies, offers a significant opportunity to showcase the most advanced technologies and solutions in the sector.

**IMATECH Expo** also provides an environment where industry professionals can share their knowledge and experiences, establish new business connections, and grow their businesses. IMATECH 2025 is not just an expo but also a meeting point that shapes the future of industrial production technologies. Take your place at this major event, meet with leading companies in the sector, and take your business a step further!

Products Groups at the IMATECH

- Sheet, Pipe, and Other Metal Processing Machines
- CNC Machines and Technologies
- Lathe and Milling Machines
- Surface Processing Technologies
- Laser Cutting Machines
- Laser Machines and Technologies
- Metal Press Machines
- Welding Technologies and Equipment
- Motion and Fluid Power Technologies
- Industrial Robot Technologies
- Molding Machines and Equipment
- Industrial Automation Systems
- Machine Elements and Components
- Fastening and Sealing Elements
- Processes
- Compressed Air Technologies and Compressors
- Cooling Fluids and Industrial Oils
- Technical Hardware and Hand Tools
- Artificial Intelligence and Information Technologies
- Transport, Lifting, and Handling Technologies
- Raw Materials and Chemicals
- Occupational Safety and Health
- Quality Control Systems
- Industrial Software
- Storage and Stacking
- Inverters and Power Supply Products
- Factory Automation and Equipment
- Sub-Industry Products
- Sectoral Magazines
- Associations and Public Institutions

For visitors;

**VISITOR PROFILE**

- Manufacturing Industry
- Machinery Manufacturing Industry
- Steel Industry
- Aluminum Industry
- Metal Industry
- Mold Industry
- Automation Firms
- Automotive Companies
- Engineering Services
- Plastic Industry Firms
- Construction Firms

**HOSTED BUYER PROGRAMME**

By registering for the Hosted Buyer Programme, you will enjoy a VIP welcome and support during your participation.

- B2B meetings
- Transfers during the programme.
- Accommodation (Only for VIP visitors)
- Textile Industry
- White Goods Sub-Industry

**WHY YOU SHOULD VISIT IMATECH EXPO?**

- Discover Industry Innovations and Technologies
- Collaboration and Partnership Opportunities
- Market Research and Competitive Analysis
- Catching the industry 4.0 trend in the production technologies of the future
